

# Club Equality Strategy 2025

## Incorporating Club Diversity & Inclusion Action Plan (DIAP)

Wincanton Swimming Club prides itself on providing a welcoming and inclusive environment for all our members. This Equality Strategy, enclosing our club Diversity & Inclusion Action Plan (DIAP), outlines how Wincanton will ensure its Committee, Coaching Staff and Members sustain an inclusive environment, allowing people from across the community to join, enjoy and develop their swimming.

This strategy is applied in conjunction with the principles outlined in the Club's Safeguarding Statement<sup>1</sup> and the policy and principles advocated by Swim England<sup>2</sup>. In addition, the club will seek to follow best practice from fellow clubs across Somerset and the Swim England South-West region.

## Wincanton Swimming Club's Equality Vision:

Wincanton Swimming Club aims to make swimming accessible, inclusive and safe for everyone.

We will foster a welcoming, social and inclusive atmosphere in our training sessions and other activities, taking action that opens up and sustains the opportunity for all people to swim.

We will establish and maintain a good governance structure that welcomes and enables everyone to reach their full potential in the water, regardless of background.

Wincanton Swimming Club benefits from being an inclusive club by:

- Increasing our membership.
- Increasing the number of potential volunteers who can contribute to the running of the club.
- Increasing the level of skills and abilities within our club.
- Providing a range of positive role models – particularly for our younger members.
- Increasing our members' understanding and experience of diversity.

The club's Chairperson and Committee will oversee the effectiveness of this framework through review at Committee meetings and the club AGM.

The club's Equality Strategy and 'Diversity and Inclusion Action Plan' will be reviewed, and where necessary updated, on an annual basis. These will be independently evaluated as part of Wincanton's submission for Swim England 'Club Affiliation' on an annual basis.

### Policy

Wincanton Swimming Club will meet the legal requirements with regards to discrimination, harassment and victimization, in line with the **Swim England Equality Policy**<sup>3</sup>.

Wincanton Swimming Club applies the principles, including the use of inclusive language, as communicated within the Swim England ‘**Approach to Inclusion**’<sup>4</sup> document.

The above policy, principles and guidance are reflected within Wincanton Swimming Club’s own policy and procedures, specifically:

- **Club Constitution**<sup>5</sup>. The club’s constitution outlines our aims and reason for operation. It outlines Wincanton’s commitment to providing a welcoming and inclusive environment for all. The club’s constitution has been created in line with Swim England guidance; it is published on the club’s website and will be reviewed on an annual basis.
- **Codes of conduct**. Codes of Conduct for key committee members, coaching staff, parents and club members include requirements and commitments to equality and inclusion. The Codes of Conduct have been created in line with Swim England guidance; they are published on the club’s website and will be reviewed on an annual basis.

## Committee

The club's committee will lead by example, setting the culture for the rest of the club. They will promote a welcoming attitude amongst members and develop plans, policies and procedures to support inclusion.

The committee undertakes to remain abreast of changes in our local community, remaining aware of changes to the local population and demographics. They will act to remove barriers to participation.

The committee will provide or facilitate the completion of inclusive training and support for volunteers and staff to ensure that everyone feels welcome.

## Education

All Coaches, Assistant Coaches and Poolside assistants are recommended to complete the Swim England 'Foundations of Inclusivity' CPD.

To meet Swim England 'Club Affiliation' requirements, at least one of the club's lead coaches shall complete the Swim England 'Introduction to Disability Swimming' CPD, and retain evidence of completion.

The club and its coaches are aware of further CPD available from Swim England. Training will be completed where club swimmers are identified with special or additional needs.

## Inclusive Culture

Wincanton Swimming Club will plan and conduct our activities with awareness of the 'social model of inclusion'. This model recognises that social barriers such as the environment, attitudes and organisations are what prevent people from participating - not their personal characteristics.

## Volunteers

Wincanton Swimming Club requires a team of committed volunteers to operate and remain sustainable. Our volunteers give up their time to support various roles on the club committee, coaching, and officiating at events. The club believes all volunteering opportunities are open to everyone. The club will welcome and support any volunteer displaying enthusiasm and commitment, by developing their knowledge and skills.

Where appropriate, Wincanton Swimming Club's communication or marketing will make it clear that anyone can volunteer. Recruitment will follow the Swim England Wavepower<sup>6</sup> safe recruitment policy.

## Taking Action

**Reasonable Adjustments.** The Equality Act 2010 places a legal duty on all organisations to provide 'reasonable adjustments', taking positive steps to remove barriers that may prevent a disabled person from accessing the same services as their non-disabled peers. Wincanton Swimming Club will follow this requirement, noting that 'reasonable' will be determined on the effectiveness of a requested adjustment, health and safety, cost and available facilities or volunteer staff.

## Communication

Good communication with our members and volunteers is an essential requirement to maintain a welcoming and inclusive club environment.

Wincanton Swimming Club will communicate regularly with our members, parents and volunteers, making them aware of available methods of communication when they enroll.

The club will hold regular committee meetings and hold an AGM annually to update members, parents and volunteers about club performance and activities.

## Feedback

We welcome feedback from all of our swimmers, parents and volunteers. Members and parents are made aware of their ability to talk to a coach or the club's welfare officer when needed.

If necessary, any individual who believes they have suffered inequitable treatment has the right under Swim England procedures to raise the matter to Swim England, with details on how this may be achieved available on the Swim England website.
